

WhatsApp Agent for a Sports Shop

I built a smart WhatsApp Agent for a Sports Shop! 🏀🏈

The Problem: Manually answering FAQs and tracking orders on WhatsApp is slow and messy.

The Solution: Meet the AI-powered Sports Shop Agent! 🤖

This smart agent handles the heavy lifting:

💡 Chats with customers naturally 🏃 Shares product details & answers FAQs instantly 🛒 Collects all necessary order details 📈 AUTOMATICALLY adds new orders to a Google Sheet for easy tracking.

Shopping is now simple, fast, and fully automated! Check out the n8n workflow I built to make it happen.
